### **Main Level**

#### **Legacy Builders**

***Instruments in the Redeemer's Hands* by Paul David Tripp**

**Cambridge Room #112**

*Rock Campbell*

The legacy we leave behind for family and friends speaks loudly about our character, our values, and our heavenward journey. The Legacy Builders Bible Study Hour class is designed for those who wish to leave a lasting impact on family and friends with the Gospel of Jesus. "Isn't God's love amazing? God uses ordinary people to do extraordinary things in the lives of others. God never intended us to simply be the objects of His love. We are also called to be instruments of that love in the lives of others."

#### **Young Married Class - *You and Me Forever* by Francis Chan**

**Wittenberg Room #106**

*Tim Vandeguchte*

The Young Married Class is designed to equip married couples seven years or less with the biblical design and foundational principles of the marriage relationship. It will also provide practical tools necessary for building a successful marriage. In an interactive and encouraging forum where couples learn from one another, we will cover topics through biblical study such as marital expectations, resolving conflicts, and the differences between men and women. Our kickoff study will springboard from Francis and Lisa Chan's book and video called, *You and Me Forever: Marriage in the Light of Eternity*.

### **Lower Level**

#### **Sermon Review**

**Geneva Room #201/202**

*Roger Berry, Jim Rookus*

The Koinonia class will do sermon review this fall. You will experience Koinonia (fellowship) as we share coffee and treats before class, review Scripture, and share prayer requests. We will laugh and learn to love the Lord more fully as we interact on the morning sermon and the passage. We are a blended group of various ages and our goal is to encourage relationships that honor God in the body of Christ and help each of us walk in step with the Spirit in a celebration of God's promises and the certain hope He provides.

#### **Ladies Only - *Don't Follow Your Heart* by Jon Bloom**

**Room #203**

*Julie Porritt*

Our biggest problems in life are heart problems and often occur because we follow our hearts instead of directing our hearts. We will use the 31 meditations in this book to help recalibrate our hearts to follow Jesus instead of our own sociopathic tendencies.

### **Lower Level**

#### **Reformation: History and Doctrine**

**Choir Room #200**

*Pastor Christopher*

It's hard to overstate the significance of the Reformation. This year-long class will explore key doctrinal issues as well as the historical and biographical events that happened during the period. There will be ample opportunity for discussion and dialogue about doctrine, examination of its biblical support, exploration of its current application, and introduction to key primary sources. We should have fun! Bring your Bibles. Bring a notepad. Let's dive into history and theology together!

### **Portable M-2**

#### **College/Career**

*Scott Green*

This class is designed to help connect young adults (18-30) into the life of Grace. Young adults often find themselves in new, busy, and challenging times of life. We want to offer a time to connect with peers and to think critically about their purpose and calling in the life of God's church. Our time together ranges from discussing and applying the sermon to discussing a specific topic focused on this stage of life.

### **Grace Ministry Center**

#### **Jr. High – (East side)**

*Jeff Kigar*

This fall's Junior High BSH will be an inductive study of the Old Testament book of the Bible. This study will teach students observation, interpretation, and application skills for each book of the O.T. Students will be learning the major themes and key verses for each O.T. book with an emphasis on the promised redemptive work that is fulfilled in Jesus.

#### **Sr. High – (West side)**

*Keoni Hughes*

Come enjoy refreshments, community, and get equipped. We will spend the fall looking into the following topics, seeking to define them and discern how to articulate a biblically sound position: Justice, Abortion, Suicide, Euthanasia, Pneumatology, and Eschatology.

#### **Children's Ministry - Nursery through 6th grade**
