- Exodus Chapters 19-40** \$10
January 7-March 17, 2020

Having redeemed His people, God then guides them through the wilderness and brings them to Mount Sinai to instruct them in His ways. The foreshadowing of the law and the Tabernacle served to point to the One who would come to fulfill the requirements. This study will help us to see and delight in the work of Jesus, with the result that we love even more the One who first loved us.

This is an 11-week study with small group discussion and prayer with audio teaching by Jen Wilkin with approximately 3 hours of homework a week.

- Isaiah Part 2 Precept** \$21
February 4-March 31, 2020

In Isaiah 40-66 the Lord told Isaiah to speak words of comfort to Israel.

(It is not recommended that you take part 2 if you have not studied part 1.)

This is a 9-week study with small group discussion and DVD teaching with Kay Arthur with approximately 5 hours of homework a week.
