Joy in the Midst: A Study of Philippians **\$10**

January 8-March 25, 2020

Life is challenging! Is it really possible to experience joy in the midst of daily life...regardless of our circumstances? In this 8-lesson study spread over 12 Wednesday evenings, you will discover the connection between joy and the gospel. You will gain practical help in applying the gospel to your daily life as you observe the life of the apostle Paul—a man who not only understood the gospel but experienced joy in the midst of hardship and adversity. This study includes about 2 hours of homework each week with small group discussion and prayer. Join other women in discovering how to navigate the challenges of uncertain times while living a life that powerfully proclaims **Joy in the Midst** of every circumstance!
